

# NATIVE Shrubs & Trees Commonly Found at Local Nurseries

Common Name	Latin Name
Chokeberry: Black & red	<i>Aronia arbutifolia, melanocarpa</i>
Dogwoods: e.g. gray, red, silky	<i>Cornus racemosa, sericea &amp; cvs.</i>
Eastern white cedar	<i>Thuja occidentalis</i>
Elderberry	<i>Sambucus canadensis</i>
Fragrant sumac	<i>Rhus aromatica</i>
Hydrangea, smooth/wild	<i>Hydrangea arborescens</i>
New Jersey tea	<i>Ceanothus americanus</i>
Ninebark	<i>Physocarpus opulifolius</i>
Pussy willow	<i>Salix discolor</i>
Spicebush	<i>Lindera benzoin</i>
Summersweet	<i>Clethra alnifolia</i>
Sweetshrub	<i>Calycanthus floridus</i>
Viburnum (e.g. arrowwood, nannyberry, blackhaw) *avoid cranberry viburnum	<i>Viburnum dentatum, lentago, prunifolium</i>
Virginia sweetspire	<i>Itea virginica</i>
Which hazel	<i>Hamamelis virginiana</i>
Winterberry	<i>Ilex verticillata</i>

American basswood/linden	<i>Tilia americana</i>
Arborvitae	<i>Thuja occidentalis</i>
Birch: River, Yellow, Sweet	<i>Betula nigra, lenta, alleghaniensis</i>
Black Tupelo	<i>Nyssa sylvatica</i>
Buckeye: Ohio, yellow	<i>Aesculus glabra, flava</i>
Crabapple	<i>Malus coronaria</i>
Dogwood: Flowering	<i>Cornus florida</i>
Eastern Hemlock	<i>Tsuga canadensis</i>
Elm: American, slippery	<i>Ulmus americana, rubra</i>
Hackberry	<i>Celtis occidentalis</i>
Hickory: shagbark, shellbark	<i>Carya ovata, laciniosa</i>
Honeylocust	<i>Gleditsia triacanthos var. inermis</i>
Magnolia	<i>Magnolia virginiana</i>
Maple: red, sugar, black	<i>Acer rubrum, saccharum, nigrum</i>
Oak: any except sawtooth ( <i>Quercus acutissima</i> )	<i>Quercus bicolor, macrocarpa, palustris, rubra, alba</i>
Paw paw	<i>Asimina triloba</i>
Redbud	<i>Cercis canadensis</i>
Serviceberry	<i>Amelanchier arborea, laevis</i>
White pine	<i>Pinus strobus</i>

- Grayed boxes indicate larger categories of species availability or group of plants
- Each species separated by a comma belongs to preceding genus. For example: *Asclepias tuberosa, syriaca, incarnata* is understood as: *Asclepias tuberosa* (butterflyweed), *Asclepias syriaca* (common milkweed), *Asclepias incarnata* (swamp milkweed)
- *spp.* indicates more than one species, too numerous to list
- List features most commonly encountered natives found at retailers and is not exclusive. Any plant listed here is an approved purchase.

# NATIVE Perennials Commonly Found at Local Nurseries

Common Name	Latin Name
Amsonia: Arkansas and bluestar	<i>Amsonia tabernaemontana, hubrichtii</i>
Anise hyssop	<i>Agastache foeniculum</i>
Aster: New England, New York, heath, aromatic	<i>Symphotrichum oblongifolium, novae-anglia, novi-belgii, ericoides</i>
Bee balm/Bergamot	<i>Monarda fistulosa, didyma, punctata</i>
Blanketflower	<i>Gaillardia spp.</i>
Blazing star	<i>Liatris spicata</i>
Blue false indigo	<i>Baptisia australis</i>
Blue-eyed grass	<i>Sisyrinchium angustifolium</i>
Cardinal flower	<i>Lobelia cardinalis</i>
Columbine	<i>Aquilegia canadensis</i>
Coneflower: gray-headed, large, orange, tall, black-eyed Susan	<i>Ratibida pinnata, Rudbeckia maxima, fulgida, maxima, hirta, submentosa</i>
Coral bells	<i>Heuchera spp.</i>
Coreopsis/ Tickseed	<i>Coreopsis grandiflora, lanceolata, tripteris, verticillata</i>
Culver's root	<i>Veronicastrum virginicum</i>
False sunflower	<i>Heliopsis helianthoides</i>
Fern: Christmas, cinnamon, hay-scented, lady, maidenhair, male, marginal woodfern, ostrich, royal sensitive	<i>Polystichum acrostichoides, Osmunda cinnamomea, Dennstaedtia punctilobula, Athyrium filix-femina, Adiantum pedatum, Dryopteris filix-mas, Dryopteris marginalis, Matteuccia struthiopteris, Osmunda regalis, Onoclea sensibilis</i>
Goatsbeard	<i>Aruncus dioicus</i>
Goldenrod	<i>Solidago ohioensis, speciosa, rugosa</i>

Grass: blue grama grass, little bluestem, northern sea oats, switchgrass, prairie dropseed, big bluestem, Indiangrass	<i>Bouteloua gracilis, Schizachrium scoparium, Chasmanthium latifolium, Panicum virgatum, Sporobolus heterolepis, Andropogon gerardii, Sorghastrum nutans</i>
Great blue lobelia	<i>Lobelia siphilitica</i>
Hardy hibiscus/Rose mallow	<i>Hibiscus moschetus, palustris</i>
Iris: dwarf crested, blue flag, copper	<i>Iris versicolor, virginica, fluva</i>
Ironweed	<i>Vernonia fasciculata, noveboracensis</i>
Joe pye: sweet, spotted, hollow	<i>Eutrochium fistulosum, maculatum, purpureum</i>
Milkweed (e.g. butterflyweed, common, swamp)	<i>Asclepias tuberosa, syriaca, incarnata</i>
Obedient plant	<i>Physostegia virginiana</i>
Oxeye sunflower	<i>Heliopsis helianthoides</i>
Penstemon	<i>Penstemon digitalis</i>
Phlox	<i>Phlox divaricata, glaberrima, maculata, paniculata, subulata</i>
Purple coneflower	<i>Echinacea angustifolia, pallida, purpurea, tennesseensis, etc.</i>
Sedge/rush: soft rush, palm sedge, Pennsylvania sedge	<i>Juncus effusus; Carex muskingumensis, pensylvanica</i>
Sneezeweed	<i>Helenium autumnale</i>
Solomon's seal	<i>Polygonatum biflorum</i>
Spiderwort	<i>Tradescantia ohiensis</i>
Turtlehead: White, pink	<i>Chelone lyonii, glabra, obliqua</i>
Vine: Trumpet honeysuckle, trumpet creeper	<i>Lonicera sempervirens, Campsis radicans</i>
