

# Ohio EQIP Invasive and Noxious Plant Species List

## Invasive Species

Species	Form	Habitats Invaded
Amur Corktree <i>Phellodendron amurense</i>	Tree	Woodlands
Asian Bittersweet <i>Celastrus orbiculatus</i>	Vine	Woodlands
Autumn Olive, Russian Olive <i>Eleagnus umbellata, E. angustifolia</i>	Shrub	Grasslands, Woodlands
Bamboo <i>Phyllostachys</i> sp.	Shrub	Woodland edges, Grassland, Stream banks
Bush Honeysuckle <i>Lonicera maackii, L. morrowii, L. tatarica</i>	Shrub	Woodlands
Callery Pear <i>Pyrus calleryana</i>	Tree	Woodlands, Grasslands
Canada Thistle <i>Cirsium arvense</i>	Herbaceous	Grasslands
Chinese Privet <i>Ligustrum sinense</i>	Shrub	Woodlands, Stream banks
Chinese Wisteria, Japanese Wisteria <i>Wisteria sinensis, W. floribunda</i>	Vine	Woodlands (edges, open areas)
Common Buckthorn, Glossy Buckthorn <i>Rhamnus cathartica, Rhamnus frangula</i>	Shrub	Woodlands, Grasslands, Wetlands
Common or European Privet <i>Ligustrum vulgare</i>	Shrub	Woodlands
Common Reed Grass <i>Phragmites australis</i>	Herbaceous	Wetlands
Common Teasel, Cutleaf Teasel <i>Dipsacus fullonum, D. lacinatus</i>	Herbaceous	Grasslands
Garlic Mustard <i>Alliaria petiolata</i>	Herbaceous	Woodlands
Glossy Privet <i>Ligustrum lucidum</i>	Shrub	Woodlands
Japanese Barberry <i>Berberis thunbergii</i>	Shrub	Woodlands, Grasslands
Japanese Honeysuckle <i>Lonicera japonica</i>	Vine	Woodlands
Japanese Knotweed <i>Polygonum cuspidatum</i>	Herbaceous	Stream banks, Woodlands (edges)
Japanese Privet <i>Ligustrum japonicum</i>	Shrub	Woodlands
Japanese Stiltgrass <i>Microstegium vimineum</i>	Herbaceous	Woodlands, Stream banks
Kudzu <i>Pueraria montana</i>	Vine	Woodlands
Mile-a-minute Weed <i>Polygonum perfoliatum</i>	Herbaceous	Woodlands, Wetlands
Multiflora Rose <i>Rosa multiflora</i>	Shrub	Grasslands, Woodlands (open)
Narrowleaf cattail <i>Typha angustifolia, T. xglauca</i>	Herbaceous	Wetlands
Princess Tree <i>Paulownia tomentosa</i>	Tree	Woodlands

Purple Loosestrife <i>Lythrum salicaria</i>	Herbaceous	Wetlands
Reed Canary Grass <i>Phalaris arundinacea</i>	Herbaceous	Wetlands, Grasslands
Smooth Brome <i>Bromus inermis</i>	Herbaceous	Grasslands, Woodlands
Spotted Knapweed <i>Centaurea biebersteinii</i>	Herbaceous	Grasslands
Sweet Clover <i>Melilotus alba, M. officinalis</i>	Herbaceous	Grasslands
Tall Fescue <i>Festuca eliator</i>	Herbaceous	Grasslands
Tree of Heaven <i>Ailanthus altissima</i>	Tree	Woodlands
Winged Burning Bush <i>Euonymus alatus</i>	Shrub	Woodlands

### Noxious Weed Species

Ohio has designated the following plants as “prohibited noxious weeds”:

- (A) Shatter cane (*Sorghum bicolor*).
- (B) Russian thistle (*Salsola Kali* var. *tenuifolia*).
- (C) Johnsongrass (*Sorghum halepense* L. (Pers.)).
- (D) Wild parsnip (*Pastinaca sativa*).
- (E) Wild carrot (Queen Annes lace) (*Daucus carota* L.).
- (F) Oxeye daisy (*Chrysanthemum leucanthemum* var. *pinnatifidum*).
- (G) Wild mustard (*Brassica kaber* var. *pinnatifida*).
- (H) Grapevines: when growing in groups of one hundred or more and not pruned, sprayed, cultivated, or otherwise maintained for two consecutive years.
- (I) Canada thistle (*Cirsium arvense* L. (Scop.)).
- (J) Poison hemlock (*Conium maculatum*).
- (K) Cressleaf groundsel (*Senecio glabellus*).
- (L) Musk thistle (*Carduus nutans*).
- (M) Purple loosestrife (*Lythrum salicaria*).
- (N) Mile-A-Minute Weed (*Polygonum perfoliatum*).
- (O) Giant Hogweed (*Heracleum mantegazzianum*).

- (P) Apple of Peru (*Nicandra physalodes*).
- (Q) Maretail (*Conyza canadensis*)
- (R) Kochia (*Bassia scoparia*).
- (S) Palmer amaranth (*Amaranthus palmeri*).
- (T) Kudzu (*Pueraria montana* var. *lobata*)
- (U) Japanese knotweed (*Polygonum cuspidatum*)
