

Community Backyards Registration

Learn about: Capturing rainwater with rain barrels and rain gardens, home composting, the benefits of native plants & trees, and responsible lawn care.

Meet watershed coordinators and conservation staff, ask questions, and get more information about backyard conservation topics that interest you. Workshops are an hour and a half and cover several conservation subjects with a focus on preventing water pollution. Vouchers with qualifying rebate items for each participant will be distributed at the end of each event. Please arrive 10 minutes early to sign in.

Register online at www.franklinswcdworkshops.eventbrite.com or mail registration back to:
Franklin Soil and Water, 1404 Goodale Blvd., Suite 100, Columbus, OH 43212

NOTE: Rebates are based on your home tax district. Not all participants will qualify. Workshop is open and FREE for anyone to attend. For more information visit www.communitybackyards.org.

Workshop Facilitators:

Community Backyards

Community Backyards is an educational conservation program offering reimbursements to eligible residents up to \$50 for installing a rain barrel, compost bin or planting a native plants/trees. Participating tax districts are eligible for \$100 reimbursements for planting an approved Branch Out Columbus native tree. Eligibility for the rebate is based on your tax district within Franklin County and whether you live in a participating district.

Questions on eligibility? Call (614) 486-9613 or visit www.communitybackyards.org.

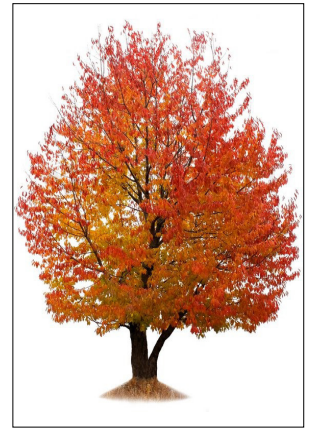

Rain Barrel with Diverter
